

In compliance with Title 40 of the Code of Federal Regulations (CFR) section 257.102(g), Cleco Cajun LLC has prepared this notification of intent to close the Fly Ash Basin at the Big Cajun II facility near New Roads, Louisiana. The fly ash basin achieved its known final receipt of waste on April 11, 2021, and, per 40 CFR 257.102(e)(1), closure must commence no later than 30 days after that date. Cleco Cajun is closing in accordance with the activities and schedule included in Revision 1 of the Closure Plan developed under 40 CFR 257.102(b).

The design of the Fly Ash Basin closure is in progress, with Cleco Cajun LLC closing this CCR unit in a hybrid approach compliant with both 40 CFR 257.102(c) and 40 CFR 257.102(d). I certify, as a Professional Engineer in the State of Louisiana, that the cover system for the Fly Ash Basin at Cleco Cajun LLC's Big Cajun II site will be designed in accordance with 40 CFR 257.102(d)(3) as outlined in the Closure Plan.
